### 12. What you need to know about the V5C and your responsibilities

#### Selling or transferring your vehicle privately

Vehicle tax or Statutory Off Road Notification (SORN) can't be passed on when a vehicle changes hands.

What you, the registered keeper must do.

- fill in section 6 (give the name and UK address of the new keeper)
- fill in section 10 (V5C/2) and give it to the new keeper
- · notify DVLA of the sale/transfer online at www.gov.uk/sold-bought-vehicle or
- send the V5C to DVLA, Swansea, SA99 1BA

If you want to keep the registration number, you must do this before you sell/transfer it. You can do this online at www.gov.uk/keep-registration-number

What the new keeper/person buying the vehicle must do:

- keep section 10 (V5C/2) until they get their new V5C
- tax the vehicle immediately using section 10 (V5C/2).

#### What we will do:

update our records with the new registered keeper details

· send you an acknowledgment letter within 4 weeks to confirm you are no longer liable for the vehicle, and issue an automatic refund of vehicle tax (if applicable) within 4-6 weeks. If you paid vehicle tax by Direct Debit, this will be cancelled.

If you do not get an acknowledgment letter or refund from us within the above time-scales you should contact us at www.gov.uk/contact-the-dvla as you could be liable for the vehicle and may get a penalty and/or be prosecuted.

#### Your name and/or address details.

 if the details in section 5 are wrong or you want to change your name or address, fill in section 6 and send the whole certificate to DVLA, Swansea, SA99 1BA. Do not tick the new keeper box. You should also make sure you tell us about these changes on your driving licence by sending it to DVLA, Swansea, SA99 1BN.

This certificate tells you whether this vehicle has been given the 'all clear' by hpi after a comprehensive search on the following registers:

#### VIN Match

Compares the Vehicle Registration Mark (VRM) against the Vehicle Identification Number (VIN), where your dealer has provided both, to try to detect a 'ringer' or 'clone', i.e. a stolen vehicle with a false identity.

Date First Registered in UK:

Condition Inspected:

#### Vehicle Identity

Does the vehicle match the description recorded by the DVLA? Details of all road registered vehicles are recorded at hpi and the hpi check reflects information recorded on the vehicle's official V5 document.

#### First Registration

hpi confirms the vehicle's first date of registration in the UK to help establish the true value of the vehicle.

#### **Outstanding Finance**

Over half of new cars are bought using finance agreements, making them the property of the finance company until the debt is cleared, hpi has over 7.5 million records on this register, against which this vehicle has been searched to highlight any outstanding debt.

#### **Condition Alert**

Has a car been 'written-off' by an insurance company following damage or theft? hpi registers 40,000 write-offs every month. Each hpi check searches over 14 million records to make sure the vehicle is not a total loss or now belongs to an insurer.

#### **Condition Inspected**

Checked and Clear

hpi has a unique register of former damaged 'write-offs' which have passed an inspection against a Thatcham approved standard to confirm the integrity of the repairs.

#### Stolen Vehicles

Any vehicle currently recorded by the police as stolen is highlighted in the search.

#### Security Watch

Some vehicles such as hire cars, are at special risk from fraud or theft. This register checks for vehicles that are flagged as 'at risk' and being offered for sale without the owner's consent.

#### Plate Transfer

Plate transfers are perfectly legal, but can be used to cover a dubious past. A hpi check will automatically pinpoint all plate transfers since April 1990 and make sure that none of the prior identities have anything to hide.

#### Mileage

The National Mileage Register (NMR), with over 200 million readings, can help reveal discrepancies in a vehicle's mileage history. Speak to a member of our team about running your own hpi check. Call us on: 0845 300 8905

#### Workshop notes

The following boxes can be used by your Volkswagen dealership to document work carried out on your vehicle which is not included in the defined scope of service (for example, the renewal of an airbag module, service work on the air conditioning system, recoding of the LongLife service to the time/distance travelled dependent service).
