## **LandRover Discovery 4 HSE MX10 YAA**

107136miles

This Discovery has wanted for nothing throughout its life it has had 16 Services including CamBelt Replacement Twice! The first was carried out to schedule In 2019

It was further recently changed for the second time whilst the car was having a new Inlet manifold Fitted The previous owner decided whilst this work was underway to do the Cambelt again in May 2015

It Has had interim oil services in between services

We purchased and have owned it ourself for 1 year as our own family car

This is truly a one off car and all credit must go to the previous keeper for the service up keep and presentation

It looks and drives fantastic with absolutely no reason for sale other than a new replacement vehicle is now available to us

Please take the time to read the comprehensive PDF we have collated
